

Clean Copy of Specification as Amended

Clean copy of the first paragraph on page 1:

This is a continuation in part of co-pending USSN 09/702,039, filed October 28, 2000, now U.S. Patent No. 6,691,966, issued February 17, 2004.

Clean copy of the last paragraph on page 7:

Since many changes and variations of the disclosed embodiments of the invention may be made without departing from the inventive concept, it is not intended to limit the invention otherwise than as required by the appended claims.
